Dear pro-choice friend,

If you like to know what's happening – and what's not happening – with women's rights, please consider joining NOW, the National Organization for Women.

You help simply by joining, even if you don't become active. *We need you.*

When you join NOW, you become more informed about global, national and local feminist issues and actions, newsletters and websites, allowing you to participate – or not – at your level of comfort. You'll receive advance notice of activities, including the annual pro-choice Signature Ad we run in the *Indy Weekly*, in support of the Roe v. Wade decision and women's reproductive rights.

Chapters around North Carolina meet regularly. At these meetings, we talk about current events affecting women, and we plan actions to bring attention to the state of women's rights. Sometimes the meetings are an activity, like a movie night or a presentation.

Join us! Help us not only defend the laws and court decisions we have so dearly won, but to accelerate our drive for women's rights. Help us take care of business!
